There is also a footpath from the cottage connecting to a beautiful 3 mile walk along the river Coquet into Felton.

This charming property is brimming with character and showcases vaulted ceilings, exposed beams and glimpses of exposed stonework throughout. The stone-built entrance porch is a useful addition as it provides a convenient space to store coats and shoes and such like. The leaded windows and tiled floor add an element of practicality and finish the space attractively. From here the front door opens into the lounge, which features a vaulted ceiling and a stunning fireplace with a stone surround. This is a comfortable and inviting room with a pleasant outlook to the rear.

The kitchen, with a wood-effect tiled floor, offers a good number of contemporary wall and base units with a shaker-style door complemented by a quartz work surface, matching upstand, and matching splashback behind the large Rangemaster induction 6-ring double oven range.
