Swarland is an idyllic village which boasts its own Primary School, 'Nelsons' coffee shop, children's play area, tennis courts, a village golf course and club house, equestrian facilities, a village hall and stunning views of the coast and countryside and walks into the countryside minutes from your front door. A two-minute drive from the A1, this village is perfectly located for easy access north into Scotland and south to Newcastle and beyond.

A quaint and attractive front garden frames this property beautifully. The

composite front door opens into an internal hallway which provides convenient access to the principal living areas. The space is finished with quality wood-look flooring which continues through most of the ground floor creating a seamless transition between the different rooms. The first main door opens into a wonderfully spacious kitchen-dining-living room appealing to modern living where there is plenty of space for a dining table and accompanying chairs in addition to sofa. Two windows in the dining-living end take advantage of attractive views and the space then flows freely into a glorious kitchen which offers a good number of soft-close wall and base units with a light-coloured shaker style door complemented by a wood effect work surface with a matching upstand. In terms of fitted equipment, there is a full-size dishwasher, an under bench electric oven, a four-burner induction hob beneath a chimney style extractor fan with a glass splash back, a single bowl stainless steel sink and a full-size fridge freezer. A window within the kitchen captures a green and leafy outlook to the front. A uPVC door leads into a useful utility/boot room which houses the boiler and the large, pressurised water cylinder for ease of access. Loft access is available, a window overlooks the courtyard garden and there is a further door providing external access.

With two large windows capturing the leafy outlook, the lounge is an inviting room in which to spend time with family and friends. There is a conveniently placed fitting for a wall hung television, a good number of sockets and the space is finished with a sumptuous light-coloured carpet adding elegance.

The ground floor WC is superb as it negates the need to continually frequent the upstairs facilities. The suite comprises a close coupled toilet with a push button behind, a pedestal wash hand basin and a chrome heated towel rail. A window allows for natural light and ceiling spotlights add to the brightness.

To the rear of the property, there is a fabulous multi-use room which would be ideal as a home office or a hobby room. A uPVC door with an adjoining glass panel captures views over the rear courtyard garden and provides an independent point of entry which would be ideal if the room was to be used as a treatment room.

Taking the stairs to the first floor, the landing opens out to four bedrooms and two bathrooms. The oatmeal carpet flows from the stairs into all the bedrooms creating a wonderful finish. Drop-down ladder loft access is available.

The primary bedroom is a spacious super king-sized room benefiting from en-suite facilities. Two large windows overlook the front of the property and illuminate this tastefully decorated room perfectly. The en-suite, with wood look flooring, comprises a vanity unit with a hand wash basin on top and two drawers beneath, a close coupled toilet with a push button, a slimline shower tray with a glass walk behind screen and a waterfall shower head and a separate shower head within, an extractor fan and a chrome heated towel rail ensures added comfort. A window allows for natural light and the space has been finished with attractive tiling.

Bedroom 2 is a super king-sized room with a window to the side of the property.

Bedroom 3 is a dual aspect super king-sized room with a view towards the park and a window overlooking the front of the property.

Bedroom 4 is another double room capturing views to the front. All the bedrooms are beautifully decorated allowing the easy addition of accent colour should you so wish. Lighting has been carefully chosen offering a mix of ceiling spotlights and pendants.

The family bathroom, with wood-look flooring, comprises a wood-effect vanity unit with a hand wash basin on top and storage beneath, a close coupled toilet with a push button behind, an extractor fan, a white bath with a glass shower screen and taps over and a chrome heated towel rail. The space around the bath and shower area has been tiled, natural light enters via a window and within the shaped ceiling, spotlights add to the brightness.

The rear courtyard garden, views of which can be enjoyed from many of the principal living spaces, is a unique and private area in which you can relax with family or friends during the warm summer months.
