Swarland is an idyllic village which boasts its own Primary School, 'Nelsons' coffee shop, children's play area, tennis courts, a village golf course and club house, equestrian facilities, a village hall and stunning views of the coast and countryside and walks into the countryside minutes from your front door. This peaceful village is perfectly connected, just 8 miles from the East Coast mainline station at Alnmouth, an easy drive to beautiful beaches, historic castles and the A1

south to Newcastle or north to Scotland.

The impressive double height hallway showcases glorious, exposed roof trusses, oak flooring and a significant picture window at the far end which illuminates the space perfectly, in addition to allowing garden views to entice you further.

Oozing designer touches, the living room with a vaulted ceiling, is a wonderfully welcoming room and the 5 metre vaulted window is awe-inspiring. Further natural light enters via a pair of French doors which open out into the garden, facilitating free flow of movement between indoor and outdoor living. The electric AGA wood burner forms an exquisite focal point and invites you to relax in front of it during those cooler months.

At the other end of the house, the stunning kitchen/dining/family room, with vaulted ceiling and exposed beams, is a gloriously sociable room capturing a slightly more industrial feel. The doors to either side enable effortless movement making it an easy space in which to entertain and experience alfresco dining. The kitchen is equipped with a good number of wall and base units with a dark navy door complemented by a white granite work surface and matching upstand. In terms of fitted equipment there is a white induction hob beneath a SMEG extractor fan and eye-level oven and combination microwave, a fully integrated full-sized fridge freezer, good sized storage cupboards, a fully integrated AEG washing machine and a single bowl stainless steel sink. In addition, the large centre island offers further storage and integrated waste bins. Opposite there is a cupboard which is a useful pantry and home to the tumble dryer.

The primary bedroom is a large double room with an ensuite. This relaxing room offers a built-in wardrobe and a lovely view of the garden. The ensuite comprises a white high gloss unit with a black delicately sparkly surface incorporating a concealed cistern toilet with a push button and a hand wash basin. In addition, there is an offset quadrant shower cubicle with a waterfall shower head and a separate shower head within. A large ladder chrome heated towel rail ensures added comfort.

Bedroom 2 is another double room taking advantage of the magnificent wrap-around garden views. Another tastefully decorated room.

Bedroom 3 is further double room with built-in wardrobes and neutral decoration allowing the easy addition of accent colour should you so wish.

The room that is currently utilised as a professional design studio could just as easily become bedroom 4. Its abundance of windows allows a huge amount of natural light to circulate and it would also be ideal as an art studio or a bed sitting room for a teenager. Four Velux windows add further superb illumination and ceiling spotlights add to the brightness. A door leads into the double garage currently used as a gym and houses the hot water cylinder and the boiler for ease of access, and offers loft access above.

A further multi-use room, used as an office, would make bedroom 5 if you so wished. With a semi-vaulted ceiling with spotlights this large single room takes advantage of views to the front. Adjacent to this room is a spacious cloaks storage cupboard.

The family bathroom, tiled with the matching high-gloss grey tiles to those featured in the primary bedroom ensuite, comprises a ladder chrome heated towel rail, a wall-hung two-drawer high-gloss vanity unit with a sink, a double-ended deep white bath, a close-coupled toilet with a push button, and a corner shower cubicle with a waterfall shower head and separate shower head within, encompassed with white wet-walling.

This property boasts an attractive easy maintenance landscaped garden and has been cleverly designed to provide views from all the principal rooms. The lawned area extends to the foot of the garden and a gravelled path leads around the perimeter of the home, joining the various porcelain patios and sitting areas perfectly in addition to a decked space. With a 360-degree aspect to the property it enjoys the sun from dawn to dusk. There are two different dining areas both with a southerly aspect which you can enjoy depending on the time of the day or which vista you would like to appreciate. In addition, there is a good-sized storage shed ideal for the neat storage of garden accessories.
