Full Description

A well-presented home offering light and bright living. Elizabeth Humphreys Homes are proud to welcome to the market this fabulous stone-built 3 bedroomed mid terraced property located in the popular fishing port of Amble. Was a successful holiday let benefiting from a rear courtyard, newly fitted uPVC double glazed windows, gas central heating, good broadband connection, and all the other usual mains connections, this home offers contemporary living within walking distance of the beach and is not to be missed.

Amble, Northumberland's friendliest port, offers a wide range of amenities including a supermarket, shops, doctors, Primary schools and a High school, health centre, pubs and restaurants including vibrant seafood eateries. There is still a working harbour, a marina and a popular Sunday market. Many of the things to do in Amble are based on the very thing that almost completely surrounds it - water. Watersports, sailing, canoeing, kayaking and fishing are all extremely popular. Amble is home to the UK's only puffin festival, inspired by the colourful 36,000-bird colony nesting on Coquet Island, an RSPB seabird sanctuary a mile off the coast. Warkworth and Alnwick are a short drive away. Amble has a regular bus service to Alnwick, Ashington, Blyth and Newcastle, and it is approximately 4.5 miles to the mainline rail station at Alnmouth.

Entry is via the uPVC front door which opens into an entrance hallway with a cupboard housing the consumer unit for ease of access and space to hang coats. A radiator ensures added comfort. The space is finished with beech wood effect LVT flooring which works in harmony with the grey stair carpet furnishing the stairs immediately ahead. The wood effect flooring continues through most of the ground floor creating a seamless transition between the different spaces.

The lounge, entered via a partially glazed door, is a spacious light and bright room. A window to the front allows a wealth of natural light to circulate in addition to capturing an open aspect. A central chimney breast, with alcoves to either side illuminated by wall lights, houses a living flame gas fire which forms an attractive focal point enticing you to sit before it during the cooler months. The space is neutrally decorated allowing the easy addition of access colour should you so wish.

Glazed double doors open into the kitchen-diner which is light and bright courtesy of a large window overlooking the rear courtyard. The kitchen offers good number of wall and base units with a light-coloured door complemented by a contrasting grey laminate work surface and stone look splash back tiling. In terms of fitted equipment, there is a bowl and a half stainless steel sink with an integrated drainer and a pillar mixer tap above and an under-bench oven beneath a four-ring gas hob and a stainless-steel chimney style extractor fan. The boiler is wall mounted for ease of access and there is space and plumbing for a free-standing dishwasher and space for a fridge freezer. Recessed spotlights add to the brightness and there are plenty of sockets to allow flexibility when placing work surface appliances. A partially glazed uPVC door provides external access and a window with a deep sill adjacent allows further light to enter.

Taking the stairs to the first floor, the landing splits and opens out to three bedrooms and the family bathroom.

The primary bedroom is a large double room with a dark blue feature panelled wall creating a stylish look. Natural light enters via a uPVC window in addition to taking advantage of the open aspect to the front. The chimney breast forms an attractive focal point adding character to the room.

Bedroom 2 is a double room with a window overlooking the rear of the property. Another tastefully decorated room allowing easy addition of accent colour if you so wished.

Bedroom 3 is single room overlooking the front of the property. This room offers a double sized built-in wardrobe. Loft access is available from here. All the bedrooms are finished with a sumptuous carpet adding comfort as you move throughout.

Taking a couple of steps down, the bathroom comprises a shower cubicle with a cream marble effect wet wall finish and a single chrome shower head behind a pivoting door, a close coupled toilet with a push button flush, a chrome heated towel rail, a white full pedestal hand wash basin and a white bath. A window overlooking the rear yard allows for natural light with further lighting by way of spotlights within the low maintenance ceiling. The space is finished with wood effect flooring matching that of the

ground floor creating continuity and further enhancing the seaside theme. Cream-coloured tiling completes the look.

The property continues to impress with the spacious and sunny rear courtyard which has been attractively painted offering a pleasant place in which to sit and relax at the end of the day. There is a useful outbuilding, with a sage green painted wooden door, offering excellent storage potential and there is a matching painted gate leading to the lane which extends behind the terrace of properties. A lovely home which has been incredibly well looked after and which is ready and waiting to welcome its new owners.
