A wrought iron gates opens to a low maintenance front garden. Flag stone paving leads to decking below the window and there is area ready for planting or creating a lawn. The front door opens into a useful light and bright uPVC entrance porch with an attractive sloping pantile roof.

A door opens from here to the spacious living room with a window overlooking the front of the property. Features such as a dado rail and coving adding further character. A fireplace with a black tiled back, hearth and wooden surround houses a gas fire forming an attractive focal point.

A door opens to the stairs which ascend to the first floor, a second door leads to the dining room. There is access to a cupboard beneath the stairs which offers useful storage. This comfortable room is neutrally decorated to allow the easy addition of accent colour should you so wish, and the space has been finished with a light-coloured carpet which complements the décor perfectly and extends into the dining room, where there is plenty of room for a dining table and accompanying chairs.

The kitchen offers a good number of wall and base units with a cream-coloured shaker style door complemented by a grey laminate work surface and white splash back tiling set on a diagonal which reflects the grey diagonal vinyl flooring which creates a designer look. This is a beautifully illuminated room courtesy of a large window overlooking the rear of the property and a second window located to the side. In terms of fitted equipment, there is a Franke bowl and a half stainless steel sink, a four-ring induction hob below a fitted extractor fan and an under-bench oven. There is space and plumbing for a washing machine and a free-standing fridge beneath a breakfast bar area which could provide additional seating space if you so wished.
