South Broomhill is a peaceful village in the heart of Northumberland with a lovely sense of community. It's the perfect place to ride, cycle, paddle or surf and you can even launch your own boat on the park's lake. The village offers a First School, a range of shops and good transport links south to Morpeth and Newcastle and north to Alnwick and Berwick. A short drive away is the vibrant harbour town of Amble, where you will find plenty of shops, pubs, restaurants and other amenities. A short walk away is Hadston which offers a variety of conveniences including a pharmacy, a chip shop and a Co-op supermarket within its shopping centre.

A modern built home located on the former school field, this lovely property is delightfully well presented and offers spacious contemporary light and bright living. You are welcomed by an attractive light and bright stone-fronted porch with bench seating which is ideal for taking shoes off after returning from exploring the beautiful countryside. The composite front door opens into the main L shaped hallway, with Karndean flooring, providing convenient access to the main living spaces and with stairs ascending to the first floor.

Bathed in natural light, the spacious lounge with windows to three sides is an inviting space in which to spend time with family and friends. There is a glorious Stoves woodburner set within a brick fireplace with a black stone hearth and wood mantle enticing you to sit before it during the cooler months and the space is finished stylishly with Karndean flooring and the addition of coving and a pendant light fitting add elegance. The room continues round to the dining-kitchen area, the dining space comfortably accommodating a large dining table and accompanying chairs. Within its many windows, the impressively large kitchen is beautifully light and bright and offers a good number of base units with a high gloss mushroom-coloured door complemented by a dark granite effect work surface with a matching upstand and a grey brick style splash back. There is space for a large range cooker with an induction hob on top beneath a black glass extractor fan and a stainless-steel splash back behind and space for an American style fridge freezer. In terms of fitted equipment, there is a full-sized dishwasher, a large pantry cupboard and a bowl and a half acrylic sink dropped into the work surface with a drainer cut in at the side. The suite comprises a unit with a concealed cistern toilet with a push button behind and a vanity unit with a sink on top with a wet wall splash back and a mirror above. A chrome heated towel rail ensures added comfort, and the space is practically finished with Karndean flooring.
