of the ground floor creating a seamless transition between the different spaces. There is additional space to hang cloaks and store shoes in addition to the area beneath the stairs where there is plumbing and space for a washing machine and space for a tumble dryer.

The high ceilings add to the sense of space offered and there is plenty of room to accommodate a range of comfortable furniture upon which you can relax and spend time with family and friends.

Located to the rear of the property, the kitchen-diner, which flows freely into a glorious garden room, is light and airy and appeals to modern living. The dining end offers plenty of space to sit and dine and the kitchen offers a good number of wall and base units with a high gloss cream coloured door complemented by a contrasting stone effect laminate work surface. In terms of fitted equipment, there is a fridge-freezer, a double oven, a four-burner gas hob beneath a chimney style extractor fan and a stainless-steel splash back, a dishwasher and a bowl and a half stainless steel sink beneath a window providing uninterrupted views over the rear garden.

The garden room benefits from a light lantern and recessed spotlights and many windows taking advantage of the garden views. A pair of French doors with windows to either side provides access to the garden facilitating free flow of movement between indoor and outdoor living. This room catches the southerly sun and is a superb additional living space.

The garage has been creatively converted retaining some storage to the front and with additional rooms being built on, creates a superb annexe. With access from the main hallway and independent external access, this is an excellent addition to the home as it could easily facilitate multi-generational living. The former garage presents bedroom accommodation which is carpeted and would accommodate a double bed and a wardrobe comfortably. The fully tiled en-suite comprises a raised walk-in shower with a water fall shower head and a separate shower head behind a glass screen, a close coupled WC with a push button above, a hand wash basin on top of a vanity unit and a heated towel rail ensures added comfort.
