

# Wordsworth Cottage West, Longframlington, Morpeth, Northumberland

Offers Over £210,000

## Full Description

This is your opportunity to own a delightful stone-built cottage built in 1898 and very much part of the original village settlement. Elizabeth Humphreys Homes are proud to welcome to the market this 2 bedroomed property located in the Northumberland village of Longframlington. This home benefits from a superb village location, uPVC windows and a wooden front door, LPG central heating, good broadband connection, a 2019 full re-wire, and all the other usual mains connections. This charming property would suit a first-time buyer, or someone looking to downsize or retire to this beautiful part of the country.

Longframlington has a number of local amenities including an award-winning village shop, a well-known and popular butcher, public houses, The Running Fox café, doctors' surgery, hairdresser, and Longframlington gardens. The Memorial Hall has lots of activities suitable for all the family, there is a walking club, a dog walking area in the centre of the village and a children's play area. The village also benefits from good transport links to Morpeth and Newcastle. From Longframlington, Scotland is also very easily accessible.

The south-facing wooden front door opens into an entrance hallway with

stairs leading to the first floor and one main door opening to the lounge. The terracotta floor tiles finish the space both practically and attractively, and are in keeping with the feel of the property.

With a lovely high ceiling adding to the sense of space, the lounge is an inviting room in which to spend time with family and friends. A Georgian fretted uPVC window overlooks the front and adds a superb amount of character. The focal point for the room is a stunning original inglenook fireplace with an impressive stone slab hearth supporting a wood burner, which entices you to sit before it during those cooler months. A recessed space beneath the stairs offers excellent storage potential.

A sliding door opens to the kitchen located to the rear of the property. The characterful kitchen offers a good number of wall and base units with a sage green-coloured laminate door complemented by a wood-effect laminate work surface. There is space for a free-standing fridge freezer, a slimline dishwasher and an oven and hob beneath an extractor fan. A bowl and a half stainless steel sink sits below a wooden window which overlooks the side courtyard, and the boiler is housed in the kitchen for ease of access. The space is finished with flagstone-effect vinyl flooring and a door provides external access to the rear courtyard.

Taking the stairs to the first floor, the landing opens out to two lovely bedrooms and the family bathroom. Loft access is available, and the electrical consumer unit is housed on the landing for ease of access.

The primary bedroom is a glorious super king-sized bedroom bathed in natural light courtesy of two large Georgian fretted windows taking advantage of views to the front of the property. Brimming with character, this room showcases a chimney breast with original Victorian fireplace which is beautiful. The carpet adds comfort as you move throughout and there is plenty of space for various storage options and further bedroom furniture.

Bedroom 2 is a large single room with a quaint view to the rear of the property. This restful room offers plenty of space for storage options.

The bathroom comprises a bath with an electric shower over behind a glass concertina screen, a full pedestal hand wash basin with a splashback behind, a close-coupled toilet with a push button, a shaver point and a chrome heated towel rail ensures added comfort. Tiling extends around the bath and shower area and the space is finished with vinyl flooring creating a crisp and fresh look. The free-standing washing machine is conveniently located here but could easily be removed to the kitchen if you so wished. A window, with privacy glass, allows for natural light.

Externally, the courtyard is a wonderful suntrap during the mid-afternoon and is the perfect place in which to relax and unwind with a cup of coffee whilst reading a book. It also provides a beneficial storage shed, waste container storage and usefully houses the LPG bottles.
